

## **Timbakote Natural Timber Finish & Timbakote Rustic Coating System**

**Timbakote is a semi-transparent film form stain coating that is decorative and protective.**

**Timbakote has 2 coating systems for exterior timber.**

### **1) Timbakote Natural Timber Finish**

Applying 3 coats of **Timbakote Natural Timber Finish** directly to the timber substrate.

Timbakote offers a 5 year maintained durability statement for this coating system

### **2) Timbakote Rustic Timber Coating (Enhanced durability)**

Applying 1 coat Timbakote Rustic Basecoat and 2-3 coats of Timbakote Rustic Timber Finish.

. (Timbakote Rustic Basecoat is an opaque acrylic coating that will limit light initiated degradation of the timber surface)

Timbakote offer a 10-year maintained durability statement for this coating system.

**This coating system gives a wood stain effect plus long-term durability.**

**For more detail *click* on the appropriate surface application or Ph 0800 724 642**

### **NB**

The Timbakote Rustic Coating System is for application only on band sawn timber, and textured weatherboards.
